Birthday dinner was served from a gold embroidered tablecloth from Damascus, gift of Miss Mary Edith O'Brien, who is now in Germany. Gold and bronze chrysanthemums flanked by golden candles formed a centerpiece in the dining room of the O'Brien home, the ancestral home of Mr. O'Brien's mother, Mildred Conner O'Brien. The old home is located within the boundaries of the Appomattox National Historical Park and was used as a hospital during the closing days of the War Between the States.

Mr. O'Brien has served the county in many capacities during years past. He has been a member of the Board of Supervisors, the Welfare Board and the Appomattox County School Board.

Altavista Colonels came into the Rebs' Field Friday night and left with an undefeated season following the Appomattox Rebels 32-6 in the last game of the season for both teams. The win gave Altavista a 9-0 overall and 10-0 overall. Rebs finished 7-3 overall in the district play.

The Colonels got on the scoreboard with 1:51 left in the first quarter when Era Pannell broke from nine yards out to 10 yards drive that took Leonard Brown kick. Altavista point to make it 7-0 and remained that way to

That score the Rebels very recovered a fumble over 45 take in the second quarter and started to gather had the help of a pass that got the ball to the 3 to Jeverly to have a pass caught by Altavista's Brown as the clock run out the half.

Rebels took the second and after a couple Bobby Shelton interBrown Wilson pass on Rebs 35 yard line and all the way back for Wilson with 10:11 left in quarter. The kick failed and Rebels 7 Colonels 0.

The third quarter belonged to the Colonels as they went for two yards out after Altavista got the ball back. The kick failed, but Altavista had all they needed, as it ended 32-6.

The Colonels picked up 345 yards on the ground with Era Pannell getting 162 of them in 12 carries and two touchdowns. He had runs of 58, 27, 20 and 16 for some of the better gains for the night. Dennis Tweedy had 98 yards rushing and Bobby Harris 48 for the leading ground gainers for Altavista.

The defense for Altavista proved to be quite strong also as they held Appomattox too 65 yards rushing and five first downs. Leonard Brown intercepted two passes and Bobby Shelton one. Brown also had a number of tackles as tackle Harold Haskins and Mike Kidd.

Lee Conner led the Rebels offense with 43 yards in 12 carries. Appomattox had 60 yards passing.

The defense was led by Paul Harvey and Hal Chambers with fumbles. Lee Conner, Picky Williams, Chambers, Billy Guthrie, Steve Almond, Steve Lawson and Danny Bryant all got their share of tackles and were in on many line tackles.

The Rebels and Colonels both had big scoring chances but could not take advantage of them as the defense made the big play. The Rebels were in the second quarter when a pass was intercepted in closing seconds by Altavista on the Colonel ten yard line. A score there would have made the score within one point or maybe a tie depending on the extra point. The Colonels had a long drive going only to have a fumble four yards away from paydirt take a score away from them late in the third quarter. The only difference would have probably been in the score as the Colonels were just too fired up for the Rebels.

Impala's hidden persuaders:

①350-cu.-in. engine
A new more powerful standard 250-hp V8 makes the 1970 Impala move with all the more assurance. On good ol' regular gas.

②Anti-theft column lock
A locking system is built right into the steering column. When you take your key with you, you lock not only your ignition but your steering wheel as well.

③Aluminized exhaust system
It simply means that your original muffler, tailpipe and exhaust are going to last longer than you'd probably expect them to. Fair enough?

④Side guard beams
They look like highway guard rails, and they're built into both sides of the car for extra protection in case of impact. Not too many cars have them.

⑤Inner fenders
Up inside every fender is another fender to protect against slush and mud and help keep your Impala looking young.

⑥Flush and dry
We build the car so that rain and wash water can run down through the inside of the rocker panels, then out. Air follows to do the drying.

⑦Full Coil suspension
Huge coil springs at all four wheels are four big reasons why a Chevrolet Impala rides smoother and quieter than a low-priced car has any right to.
